SUBHAS SINGH SUICIDES!

CHENNAPEETH: The whole of chennapeth was elated when the news of subhas Singh's marriage was announced; few thought it was as usual rumour. But it was not. Chennapeth is one of the prominent area where singh spends most of his day time while he is not in renukanagar and he is likely candidate for the next corporator election from this area provided they change the gender of the constituency. He has hell lot of supporters in this area including policemen and their valuable customers. But the people of this area are going to miss his service for a while till he recovers from the shock of first marriage. Their never ending problems are looking forward to see singh back with more energized speech...provided he is left with any energy after marriage.

NO GIFTS-PLEASE

WATCHPOCKET:Mr.Singh has requested everybody to attend the marriage without any presents. God has given him enough already & sufficient mind to make money in politics. He's eagerly waiting for some national disaster to take place, so that he can collect relief fund. Once that is over he is expected to become even more rich..

NATHU NERVOUS

ARVIND NGR: Prashanth nathu who weighs 3 times than adur eats in terms of quintals is really nervous to hear this news. As he considers singh as ANNA now he has to sweat hard to do the preparation for this marriage. It seems he has already lost few Gms of his unbearable weight while distributing the cards though his in take has increased by 20 % due to this additional work. Nathu is considered as singh's right hand though his left hand is as good as singh's right thigh

CHITNIS Carrying

O. H. CIRCLE:Good news ! chitnis is carrying... I mean his wife is carrying. Srikant chitnis 60's model has vomitted twice in old hubli circle yesterday and with suspect of SARS he went to hospital and his virgin gynecologist declared his wife as pregnant by testing him and asked him to take rest for 3 months and also suggested not ride hero puch on uneven humps. Actually vakkund had suggested him not to go for kids for few years and enjoy the life though he is old enough to be grandfather. But chitnis who is always in vibrating mode has switched on his new generation.

GOPANA KOPPA: Shri.Subhas Singh Jamadar a noted...what not? Politician, Social worker, Real estate agent, advertisement agent, Pro Hindu activist, BSNL sim card seller etc.etc..is marrying on May 18th of this year. No doubt this is suicidal act for his lively life but it was inevitable. The family sources say that he is marrying an innocent girl of renukanagar known as Rupa. The marriage will be observed in large scale as expected and it will be the hottest event of this horrible summer at Hebsur bhavan. This will be the last marriage among jamadar brothers provided singh settles for one and hence family members are very enthusiastic about this. So called LLM graduate never wore black coat so far and refers himself as lawyer and people know that he is liar. Probably this will be the biggest marriage function in the history of hubli-dharwad after anand sankeshwar's marriage. He has been working very hard since last 2-3 years in order to get himself a good girl but few of the good girls expected better boy than singh and hence it took years to get good match. Finally he is happy man now and god knows that he won't be happy man now onwards.....No man can be happy once he is married. It is as good as committing suicide. But still we wish him all the best. Love may be blind but marriage is real eye opener.

Angry ANGADI sues SINGH!

GREEN GARDEN: Shortest Bachelor of the century, Mr.Prabhu Angadi has expressed his anger towards Singh for marrying prior to him and has decided to sue him in the Hubli high court bench. But it seems angadi has forgotten that singh has done LLM and he uses good legal points though he has never stepped inside the court. Prabhya is trying to marry since Hugar's marriage. It is unfortunate that now even hugar's son has grown to the height of prabhya but he is yet to find a girl for him. His all close friends are getting married every year and already most of them have come out with their next generation and this makes him really sick. Off late he has started taking too much of tension on his back and hence he has continuous backpain. Though the matter of Angadi suing singh may not stand in the court but it is interesting to see whether at least now singh will defend himself in the court or he hires another lawyer.

FINANCE BY

CLUB ROAD: ICICI Bank has agreed to take care of the finance part of this marriage. Singh has a joint account at the branch along with sudhir saraf. Sudhir is depositor and singh is withdrawer and sudhir should see that whenever singh draws the money, balance should be there. It was not difficult task for singh to raise the money as he has been doing since latur earthquake on the behalf of one or the other organizations. He is very good at fund raising for any event. If Jaswant singh authorizes him to collect the money on the behalf of Indian poverty, he will convince even Somalia president and will make him to contribute. But some of his close friends say that he has raised enough money in Sushma swaraj election campaign which will last for at least another two marriages and this ICICI loan is just an eye

HUFFY HUGAR HUGS

COURT CIRCLE: Mr.Subhas Hugar the shortest bureau chief of the youngest Kannada daily of karnataka has literally tried to hug singh when he heard the news. Mr.Hugar is the first personal who sincerely tried to fix up girl for singh right from his Mysore days but could not succeed. Hugar always believed that love is the foundation for marriage but singh never thought so and it took lot of time for singh to differentiate between love and lust. Some reports say that Mr.Hugar is responsible for the loss of virginity of singh. Hugar is the first person forced to get marry in 90's and when he was leaving to Kashmir recently to report for the election Gambhir asked him whether he is afraid of terrorism. In reply he said that he has been married for 6 years.

BLACK DIAMOND BOWS

HEGGERI: Black diamond is none other than former Rambo or bamboo. Yes!Shri Subhas Hebballi bowed his head when he heard that singh is getting married. His entire family was relieved with this news. Every Monday they used to see singh with one or the other girl when he used to take them to shir.sidharoodh math. Singh is actually as popular as hebballi in the entire region of medar oni. All the members of the hebballi family expressed their happiness about his marriage and said they are really looking forward for the event. But interesting fact is, they are not yet clear about the girl whom he is marrying. Reason being he has shown them more no. of photos than he has seen. Now they have to discover whether the girl is among the photos or not on the wedding day it self. Singh is also partner with Hebballi in real estate business of rural area.

VWA CALLS FOR MUNDARGI MUCHCH!...

MUNDARGI: Virgin Women Association of Mundargi has lodged a complaint against Mr. Singh for marrying a Hubli girl. According to them, there are still plenty of virgin girls in this town and singh has spent the most of his childhood at this place before settling at gopankoppa. Hence to oppose this decision of Mr. Singh, the president of this Association Miss. Lakshmi has called for Mundargi Muchch (Bandh) on 18th of May. "It was least expected from a person like subhas, especially after completing LLM degree" says Lakshmi.

Thank god...at last

J.C.NAGAR: Mr. Singh has talked about at least 8-9 girls, and has shown the photos of 6-7 girls, and has personally seen 4-5 girls and almost got engaged to 2-3 girls but at last he is marrying only one girl. It gives great relief to the most of his close associates who have been listening the rumours ever since he has declared him self as eligible bachelor. He always considered him self as high standard man because of his height and anticipated high standards from everybody. And it took him very hard time to find a girl. Outsiders were not clear about his occupation, insiders were confused and singh him self could not count how many businesses he has. His photo used to appear in paper once in week under different banners. Some time even he was not aware, which organization he is representing. You want a man to take leadership and give long speech in Kannada, call singh. He is there. He will use very opportunity thrust upon him to flaunt himself. Indeed he is noted person in Hubli- Dharwad and it made him even more difficult to get a girl as most of the girls now days does not want to listen to political speeches in the bedroom. Modern girls believe that "man should be of deeds not of words". We wish singh should understand this. If he does politics in the bedroom, surely his son will be born with black flag in hand protesting against him.

TAILORS TAIL END TALES

KURADIKERI BLDG: Praveen bagade urf mark tailor who has seen hardly dozen sun rises so far in this year has expressed his happiness about this marriage. He is happy not because singh is marrying but in future singh will not be working as his wake up alarm and Mr. Bagade will have a long day to sleep. Mr. Bagade sees hardly first part of the day time & wakes up very early in the evening. Once he got up at 6 am and every body were shocked & happy but later on his neighbor vakkund clarified that on that day praveen woke up late by only 16 hrs. Singh tried to wake him up almost every day by personally visiting his house but nothing improved. Now Mr. Singh will be married soon & he won't do wake up alarm business, more over probably he himself needs some body to wake him up in the morning. Singh was like nightmare for praveen. It seems some time in the dream when he sees singh; praveen gets up even in the middle of the night. Some one has to wake him up on marriage day if he has to attend this marriage

GRAVE DIGGER GRIEVES

KSFC: Escort JCB grave digger (earth mover) seller Mr.Kaustubh Saunshikar expressed his grief when he heard this news. Mr.Kaustubh who has been struggling hard to collect marginal money for his maiden JCB was literally shocked to hear this news. According to him how can singh take such a drastic decision when he is aware of all the problems of married people? A happy father of a daughter & worried husband of a wife Mr. Kaustubh never suggests anybody to marry. He always asks every body to hang around Whitehorse & enjoy the life. Surprisingly the girl whom singh is marrying is also rupa & kaustubh's wife name is also rupa. Probably this factor made kaustubh to shiver as he thought all rupa's are dangerous to husbands. But this is not true. For instance take praveen bagade's wife who is also rupa but she is so good that even in the afternoon she does not wishes to wake up her husband & allows him to lie in the bed as long as he wishes. Lucky praveen who sleeps so soundly that no loud sound can disturb him. Kaustya is always good supporter of singh & uses his influence whenever required & he is good booster also. If ever kaustubh owns the JCB, singh will definitely be partner in it. Kaustubh encourages love marriages as he knows that after marriage there is no chance of loving each other. But whatever may be the nature of kaustubh, he is always there to help u out when u are in problem and does sincere effort to solve them and loves taking everything on to his greasy head.

From desk to dust bin...

EDITORIAL BY ADUR

It's my third edition in last 5 years and I hope this is the last one. Very few mature people appreciated the contents of the first two and rest criticized. I care less what you have to say about this. I have understood the mentality of this society and your level.

I don't consider marriage ceremony as an event to write an editorial, but I should write because it is singh who is getting married this time.

Subhas singh -is one who, when he was not near the girl he loved, he loved the girl he is near. So it was not much difficult task for him to get marry. But he choose his wife, as she did her wedding gown, not for a fine glossy surface, but such qualities as would wear well. But I always warned singh to marry a girl of his own age because as his eyesight fades, so will her beauty. Singh who neither has brain nor brawn prefers the beauty. When I told him that marriage is like wine, it is not properly judged until the second glass - He said he does not drink. And when I tried to tell him that the marriage is like a bank account. You put it in, you take it out, you loose interest - he said he will not put it in the bank. God may save him, if it is inevitable.

PETKAR PISSED OFF ?

VIKASNAGAR: Vishnu petkar known as Madam X of hubli who runs agency called as "hookers' inn" was really pissed off when he heard this news. Every bachelor, unmarried men and some of the unsatisfied married men are aware that he runs the agency which fulfills their desires. Naturally petkar is pissed off as he is loosing very potential and influential customer. But singh has assured him that he need not worry till kodandapani and raikar are bachelor and it seems these both are not likely to get marry in this decade. Due to the influence of singh the business of petkar has gone up drastically. And now ICICI is thinking of providing an ATM centre at that place. Even medical reps have started visiting petkar in order to take his support for their contraceptive products. Recently WHO representative visited and declared the venue as AIDS free though the getting laid is not free at this place. Petkar started this business in competition with subhas hebballi's ADDE and now he has thrown him out the business. Some reliable sources also say that singh is partner in this business also and that is how petkar gets regular customers. Vishnu though looks like virgin has helped plenty of people to loose their virginity. But whatever vishnu does it is matter of his bread and butter and should not be considered as dirty business. And more over it is the only place after whitehorse which refreshes you both physically and mentally.

Live on CNN

KILLE: This marriage will be telecasted live on City Nuisance Network which singh partnered years before. Infact this was the first business singh started and after that he partnered in almost all businesses of the city. This is the second personal event telecasted in this channel after sudhir saraf's homa. Marriage will be telecasted till the bridegroom goes to the bedroom. There won't be any commercial breaks as this is vital event and lot of VIP's are expected to come to the marriage.

XXX SECURITY

IDGA MAIDAN: Looking at the popularity of singh and expected leaders to arrive on the day to the city, the commissioner of hubli - dharwad has decided to go for the XXX security. This is first time in the history of indian police dept that this new security system will be implemented after it is passed in the parliament. According to the dept. this is the first biggest event after the visit of president Abdul kalam. Meanwhile Naveen Raj singh is likely to be deputed to hubli on additional duty in order to avoid the corruption and hadle the contractors. NR singh is a distant relative of Subhas singh and people believe that singh played vital role in transferring him to Bidar. Almost all community leaders are expected to turn out for the marriage and hence there will be peace committee meeting the night before the marriage.

VAKKYA WORRIES

AKKIHONDA : Prakash vakkund well known dust powder seller under the brand name of Vakkund tea is worried about this marriage. He says - already once in week singh calls for hubli bandh & twice in a month for road roko & now if gets married there will be more no. of singhs to do strikes for every silly reasons in future which will affect his culprit business.
